

How to Enable Auto Refill

Worried about running out of funds? Not a problem with auto refill. Set up your account to replenish funds by simply following these steps.

1. Login to AdPad®

The screenshot displays the AdPad website interface. At the top left is the AdPad logo featuring a green frog. The top right tagline reads "Advertising with effective and targeted results." Below the header, a large green frog character is shown on the left, gesturing towards a central dashboard area. The dashboard includes several panels: "Advanced Time Targeting" with a table for days of the week, "Campaigns & Reports" with a list of campaigns, and "Geo View Data" with a donut chart. At the bottom, there is a login form with fields for "User ID" (containing "username@domain.com") and "Password", a "Remember Me" checkbox, a "Forgot Password" link, and a green "LOGIN" button. To the right of the login form is an orange "NEW USER SIGNUP" button. Below the login form, a green banner says "Welcome to eZanga AdPad®".

2. Click 'Account Setting' Icon

3. Go to 'Auto Refill' Box

The screenshot shows the AdPad account settings interface. At the top, there is a navigation bar with the AdPad logo, a search bar, and user information including the name 'Hi Jimmy Hoppa' and email 'pr@ezanga.com'. Below the navigation bar is a menu with options like 'Dashboard', 'Campaigns', 'Filters', 'Accounting', 'Ad Testing', 'Reports', and 'Logout'. The main content area is titled 'My Account > Account Settings' and contains several sections. The 'Account Info' section displays account balance, spending, and firewall settings. The 'Daily Account Budget' section allows setting a budget for each business day. The 'Auto Refill' section, which is highlighted with a blue box, offers three options: 'Maintain 3 Days Working Fund', 'Start of Day Min.', and 'Fixed Deposit'. The 'Fixed Deposit' option is selected, with a starting date of 10/01/2016 and a deposit amount of 0.00. The 'Balance Watch' section allows setting a refill amount and a threshold for when the account balance falls below. A 'SUBMIT' button is located at the bottom right of the 'Auto Refill' section.

4. Fill out the Fields and Click 'Update'

The screenshot shows the AdPad interface. At the top, there's a navigation bar with the AdPad logo, a search bar, and user information: "Hi Jimmy Hoppa", "You are logged in as pr@ezanga.com", and a profile picture. Below the navigation bar is a menu with options: Dashboard, Campaigns, Filters, Accounting, Ad Testing, Reports, and Logout. The main content area is titled "My Account > Account Settings" and includes a "HELP" button. The "Account Info" section shows: "Account Balance: \$10.95 more", "Spent Today: \$0.00", "Pacing Status: Enabled", and "Click Firewall: TAI Simulated Filter". There are "GENERATE" and "COPY" buttons for the "API Auth token". The "Daily Account Budget" section shows a budget of \$0.00 with a "SUBMIT" button. The "Auto Refill" section is highlighted with a blue box and a blue arrow pointing to it with the text "Fill out the Fields". It has four radio button options: "Maintain 3 Days Working Fund" (selected), "Start of Day Min.(\$)", "Fixed Deposit (\$)", and "Balance Watch". The "Fixed Deposit" option has a value of 0.00, a frequency of "Every", and a "Select Days" dropdown. The "Balance Watch" option has two input fields: "Refill acct with" and "When acct balance falls below", both set to 0.00. A "SUBMIT" button is at the bottom right of the Auto Refill section.

Each refill option has a different function. Choose from:

- **Maintain 3 Days Working Funds.** Ensures you have three days of funds to draw from.
- **Start of Day Min.** The amount of funds you want to start each day with.
- **Fixed Deposit.** How much you want deposited each time and when.
- **Balance Watch.** Decide the refill amount and your low balance amount.

Select your option, click 'Update,' and you're finished!
