

How to Establish and Manage Credit

1. Login to AdPad®

The screenshot displays the AdPad user interface. At the top left is the AdPad logo, and at the top right is the tagline "Advertising with effective and targeted results." Below this is a navigation menu with options like "Home", "Campaigns", "Reports", "Users", "Accounts", "Settings", "Activity", "Support", and "Logout".

The main content area features a green frog mascot on the left. To its right are three dashboard widgets: "Advanced Time Targeting" (a table with columns for days of the week and time slots), "Generating A Report" (a form with various filters and a "Generate" button), and "Geo View Data" (a donut chart showing geographic distribution). A legend below the chart identifies categories: United States, Canada, Europe, Australia, Other (not in / not in Ad), and Not Categorized.

At the bottom of the page is a dark grey login bar. It contains a "User ID" field with the placeholder "username@domain.com", a "Password" field, a "Remember Me" checkbox, a "Forgot Password" link, and a green "LOGIN" button. On the right side of the bar is an orange "NEW USER SIGNUP" button.

Below the login bar, the text "Welcome to eZanga AdPad®" is displayed.
